Policy 3211

Nondiscrimination and Privacy

The board believes in fostering an educational environment that is safe, respectful of individual privacy, and free of discrimination for all students, regardless of sex, sexual orientation, gender identity or gender expression. To that end, the Board adopts an inclusive approach toward protecting the rights of students to participate and engage in school activities without being singled out or excluded for discriminatory reasons. All students have the right to pursue privacy options as outlined in Procedure 3211. The district will comply with local, state and federal laws concerning gender access, anti-harassment, intimidation, bullying and nondiscrimination.
